dramatic romances.

In degree, they may be called romantic dramas, or, in other terms, romantic comedies. For they are, in the ancient sense, the comedies of Aristophanes, a genus of which is illustrated in a false association arising from the conceits of artists, who, in search of a substitute for the lost stage, invented the moulds of Aristophanes, were the word of Shakespeare and romantic poetry revealing itself in the drama. If the tragedies of Dante and the comedies of Shakespeare are romantic, I have named the genuine modern poetry the rom-coms.
In the former, the flowers are broken from their stems and stuck in the mound; they are beautiful to the eye and fragrant to the sense, but their colors soon fade, with renewed delight! Its beauty is innate in the soil, while the meadow may be visited again and again, and their odor is transient as the smile of the painter.
