Monumenta Nipponica

LAST year MN published a wide variety of articles, including studies on Zeami's final legacy, the law primer *Sata Mirenscho*, narrative voice in *Genji Monogatari*, Mujū Ichien's *Tsuma Kagami* (1300), translations of Tanizaki's works, the noh *Seiganji*, Mori Ōgai, personal poetry collections, *Jogaku Zasshi*, the *kyōgen Suehirogari*, and Shikitei Samba's account of the Edo theater.

IN addition, volume xxxv also contained more than forty reviews of books dealing with different aspects of Japanese culture.

THIS year MN subscribers will read about *otogi-zōshi* and *nara-ehon*, a *yamabushi* pilgrimage, Rennyō and Jōdo Shinshū, and Hirata Atsutane's use of Jesuit sources. And the usual selection of book reviews, of course. A monograph on Muromachi bakufu law will also be published.

MN is published regularly four times a year, and an annual subscription costs \$16.00 or ¥4,000.
