We are in the process of applying for permission to reproduce these illustrations electronically. Once permission is gained, the illustrations will be made available. We apologize for the inconvenience.

*SHIDŌ MUNAN*

This wooden statue of Shidō Munan Zenji is kept in the Shōju-an, the hermitage built by Munan's disciple Shōju Rōjin in the mountains of what is now Nagano prefecture. We wish to thank the photographer, Hosoe Eikō, and the Shōju-an for permission to reproduce the photograph.
